Our third Mental Health Checkup from Dr. Kaye's series, **"10-steps to Excellent Mental and Emotional Health,"** will help Christians avoid, **"THE LIE OF FORGIVENESS."** We know we are required to forgive, but why does our forgiveness

leave us in so much turmoil? Have we truly forgiven when we still feel wounded, hold ought, and nurse our offences? When someone has betrayed us, or treated us meanly, how do we overcome our justified emotions and truly forgive? Dr. Kaye will help us get into authentic

forgiveness and find Christ's real attitude in our hearts. The "Lie of Forgiveness" seminar is for anyone who has been hurt by someone else.

Last October, Dr. Kaye began a seminar series called: "10-Steps to Excellent Mental and Emotional Health" for Christians. These teachings help us evaluate where we really are and puts focus on how we can get serious about becoming more like Jesus. It is time to stop living a broken life. It's time to look deep inside our hearts and manifest our best Christ-like behavior.

Don't forget you can buy previous CDs at each seminar. Steps 1 and 2 are ready!
